300 kg

STANDARD DIMENSIONS
Width 80 cm
Length 200, 225, 250, 275 and 300 cm

HANDLING
Swivel and Slide

COLOUR
Yellow

DEPLOYMENT AND CLOSING

Designed with the evolving light commercial vehicle market in mind, the innovative WM EASY enhances our range. The EASY has the unique feature of being able to both swivel and slide out of the way as needed, leaving maximum space in the loading area. This ramp is popular with customers using side loading doors.

OPTIONAL EXTRAS

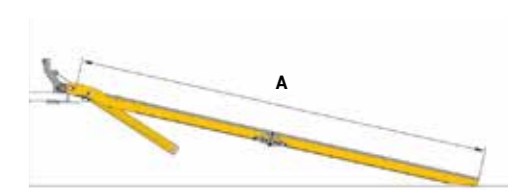

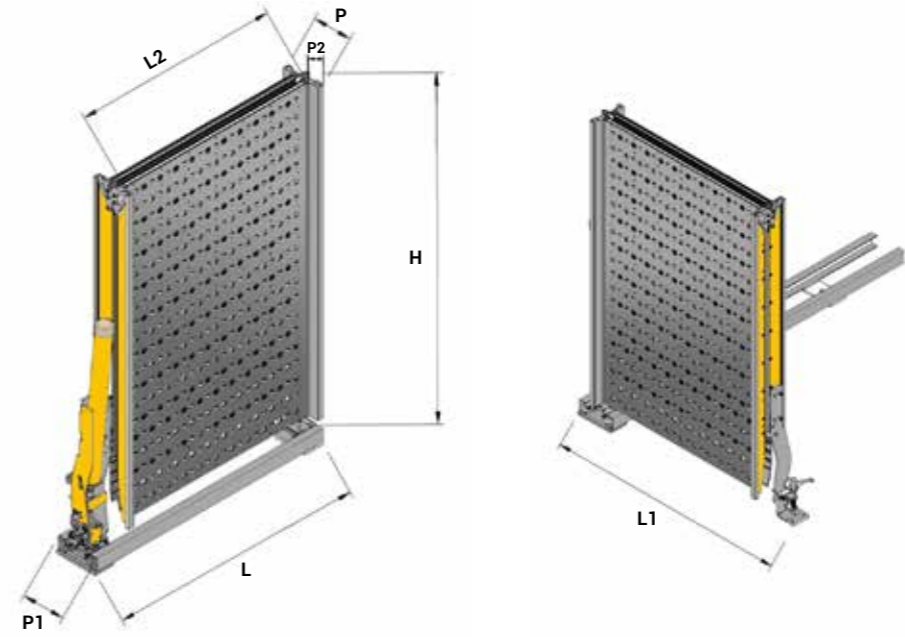

RIGHT-HAND VERSION
On request, the ramp can be mounted to the right-hand side of the van, inverting the swivel direction. It is also possible to open the ramp in the vertical direction, like a second door. This system makes it possible to gain access to the van's cargo area without using the ramp.

APPLICATION SECTORS

UNOBSTRUCTED CARGO AREA:
• LATERAL POSITIONING
• ACCESS ALWAYS UNOBSTRUCTED
• NO OBSTACLES ON PLATFORM
